Mr. and Mrs. P. F. McCanna, accompanied by their children, left this morning on No. 2 for Oswego, N. Y., their old home, where they will spend the summer. Before returning to Albuquerque, Mr. McCanna will go to Buffalo and participate in the Elks' parade on the opening day of the grand lodge meeting.

Mr. and Mrs. R. Forbes were host and hostesses on the night of July 4 at a very pleasant gathering at their home, 228 North Walter street, when about twenty former residents of Wisconsin held a sort of a reunion. Every one had a good time, and it is very probable that those residing in this city who were former residents of Wisconsin, will form a colony or club.

The Fourth of July the Gohallon club was host at an enjoyable picnic to Whitcomb Springs. The guests of honor were the Misses Mary Ebert, Stashia Wolfe and Neil De Lancy, who are visiting in the city, the guests of Miss Ione Albright. The party, which numbered twenty-one young people, went to the springs in the Jumbo. Dr. and Mrs. Carns, Mr. and Mrs. George F. Albright and Mr. and Mrs. Frank Ackerman chaperoned the crowd.

One of the most delightful social events of the past week was the dance and reception given in Elks' hall on Thursday evening, last, by Walter Weinman, complimentary to the Misses Mary Ebert, Stashia Wolfe and Neil De Lancy, of Ohio, who are spending the summer in the city, the guests of Miss Ione Albright, and the Misses Emma and Elinora Segelke, who are visiting their uncle, George Neher and family. About sixty-five young people were present, and dancing was indulged in until a late hour. Delicious punch was served during the dancing and dainty refreshments were partaken of during the intermission.

In Gohallon hall last night, Miss Sue Dobson, Miss Mildred Fox, Miss May Hazeldine, Miss Gladys Childers and Miss Helen Rodey were hostesses at a charming Japanese dancing party. The decorations were Japanese throughout, and the hall looked very beautiful. After the dancing, light refreshments were served. Those present were Mesdames W. C. Hazeldine, W. B. Childers, E. W. Dobson, Mr. and Mrs. W. J. Johnson, Mr. and Mrs. R. W. D. Bryan, and Misses Brison, Shirley, Kuhns, Lucy Hazeldine and Messrs. Waldo Brison, Chester Dobson, Bruno Dieckman, J. M. Billings, Will Pratt, Will White, Tom Keleher, Jr., James Wroth, Kirk Bryan and Ronie Jaffa.

## RARE PIANO BARGAINS

YOU DON'T NEED A PENCIL TO FIGURE OUT THE ADVANTAGE AND ECONOMY OF BUYING A PIANO THIS WEEK, SAYS GENERAL MANAGER C. S. WALTER, OF THE KNIGHT-LOCKE PIANO COMPANY OF DENVER AND PUEBLO, WHO IS HERE TO PERSONALLY CONDUCT THE GREATEST SPECIAL SALE OF PIANOS EVER BEFORE IN ALBUQUERQUE. THE PIANOS ARE HERE, AND WE ARE NOT GOING TO THE EXPENSE OF SHIPPING THEM, IF PRICES WILL SELL THE GOODS.

### Special Mention of Superb Loaned Pianos

The pianos which come under this head really deserve to be placed in a class above any other—even above new instruments of the same make. Sounds strange, doesn't it?

Let us see. These instruments, as you will readily note, are from the shops of the world's best makers—any one will readily recognize this. During the year (the length of time from one of these sales to another) there are recitals, musicales, concerts, etc.—innumerable musical functions held in Denver and throughout the states we control for these best makes. These require the use of a piano—some artist asking for one make, some for another—and we furnish them. Naturally, the greater the occasion the more care expended in selecting an instrument—the better the instrument loaned.

But in every instance you can easily see the care given to selecting an instrument, which combines good appearance—with perfect tone-quality—with carrying-quality—with sustaining-quality, and all the other requisites for this exacting work.

What is the result? An instrument which has been in the hands only of accomplished performers—which has been tested critically—artistically—more perfect in every instance than can reasonably be expected of brand new instruments.

Now isn't this reasonable—logical? Yet we have never taken advantage of this fact—and in our years of artistic musical experience we have never sold these loaned instruments as new instruments. We tell you they have been used and how much—you know the story as well as we.

A specific mention of a few will here serve to show how the prices run—out of a stock of say all told fourteen or fifteen instruments—the highest possible grades and values the Piano world can produce.

|   | Original Selling Price. | Now.  |
|---|-------------------------|-------|
| One Eskey Piano, walnut case, a most superb instrument in tone and quality          | \$500                   | \$315 |

| One Cable Piano, dark oak case, used only a few times on elite occasions            | 400                     | 335   |
| One Adam Schaeff Piano, mahogany case, beautiful tone, slightly marred in shipment  | 450                     | 325   |

| One Schaeffer Piano, in walnut case, artistic design, easy action, rich tone        | 375                     | 268   |

The purpose of this sale, as is here outlined, is purely an advertising sale and is to rid our Denver and Pueblo floors of all loaned piano stock, to make room for our fall stock. This is the exact purpose, and prices have been made accordingly. Prices have not been made with reference to paying us a profit—not in a single instance. Nor have they been made with reference to what the various pianos are actually worth. The prices put upon these pianos have been arrived at by what we believe you yourself would think, was extremely cheap, and would respond to quickly; in other words, that you would buy now, at these prices, rather than wait a few months later and pay more.

In all your experience have you ever known of lower prices anywhere?

THESE PIANOS ARE GOING TO BE SOLD WITHIN A FEW DAYS.

COME EARLY AND GET YOUR CHOICE. EASY PAYMENTS CAN BE ARRANGED.
